Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Cintment, two cakes of Cuticura Soap, and gave her the Culicura Resolvent, and she was cured, and I see no traces of the humour left. I can truthfully say that they have saved he life, and any one suffering as she did, I should advise them to give Cutlcura a fair trial." MRS. G. A. CONRAD, Lis-
